

The Mother of All Major Scale Exercises

Part 3

Joe Walker

C F

Diagram showing the fingerings for the C and F major scales on guitar. The C scale is played on the 5th string (T), 4th string (A), and 3rd string (B). The F scale is played on the 4th string (T), 3rd string (A), and 2nd string (B). Fingerings are indicated by numbers 0-3.

B \flat E \flat

Diagram showing the fingerings for the B \flat and E \flat major scales on guitar. The B \flat scale is played on the 5th string (T), 4th string (A), and 3rd string (B). The E \flat scale is played on the 4th string (T), 3rd string (A), and 2nd string (B). Fingerings are indicated by numbers 5-8.

A \flat D \flat

Diagram showing the fingerings for the A \flat and D \flat major scales on guitar. The A \flat scale is played on the 5th string (T), 4th string (A), and 3rd string (B). The D \flat scale is played on the 4th string (T), 3rd string (A), and 2nd string (B). Fingerings are indicated by numbers 8-13.

G \flat B E

Diagram showing the fingerings for the G \flat , B, and E major scales on guitar. The G \flat scale is played on the 5th string (T), 4th string (A), and 3rd string (B). The B and E scales are played on the 4th string (T), 3rd string (A), and 2nd string (B). Fingerings are indicated by numbers 15-19.

A D

Diagram showing the fingerings for the A and D major scales on guitar. The A scale is played on the 5th string (T), 4th string (A), and 3rd string (B). The D scale is played on the 4th string (T), 3rd string (A), and 2nd string (B). Fingerings are indicated by numbers 11-14.

G C

Diagram showing the fingerings for the G and C major scales on guitar. The G scale is played on the 5th string (T), 4th string (A), and 3rd string (B). The C scale is played on the 5th string (T), 4th string (A), and 3rd string (B). Fingerings are indicated by numbers 7-10.
